SunPower by Freedom Solar design center celebrates opening in Galleria, July 15

***Bring your electric bill to enter raffle for a chance
to win a free home solar project***

AUSTIN—SunPower by Freedom Solar will celebrate the opening of its new design center in the Hill Country Galleria by offering the chance to win a free home solar project and another lucky attendee's electric bill paid in full at a family-friendly event with refreshments, music, kids' activities, and more.

The raffle is free, and Texas homeowners* with a copy of their last electric bill are eligible to enter.

- WHAT:** SunPower by Freedom Solar invites the public to celebrate the opening of its new retail solar design center with refreshments, music, kids' activities, and a chance to win a free home solar project or a month's electric bill paid in full.
- WHEN:** **Saturday, July 15, 10:30 a.m.- noon (feel free to come and go)**
- WHERE:** 12700 Hill Country Blvd., Suite R-134, Bee Cave, TX 78738
- WHO:** Freedom Solar, the leader in turnkey solar installations in Texas, providing high quality, cost-effective, reliable solar solutions for residential and commercial markets.
- BACKGROUND:** The purpose of the design center is to introduce people to solar energy in a comfortable setting, and to allow them to purchase solar for their home or business then and there. When people bring in their electric bill, Freedom Solar can look up the address and

create a solar project specifically designed to meet the business or residential customer's energy consumption and needs, in accordance with their building's structure and budget.

SunPower is a global leader in solar innovation and Freedom Solar is an Austin-based installer and a SunPower Master Dealer, the only company with that distinction in Texas.

*Contest rules: One entry per household. You do not have to be present to win. Winner will be announced at the event and the drawing will be live-streamed on Facebook, and he or she will also be contacted via phone and/or email and publicly announced the following week. To enter, bring a hard copy of your electric bill to the event, email it to niko@freedomenergypower.com in advance, or pull it up online with the help of one of Freedom's solar experts at the design center.

###

About Freedom Solar Power

Freedom Solar Power is the leader in turnkey solar installations in Texas, providing high quality, cost-effective, reliable solar solutions for residential and commercial markets. Freedom Solar has installed more than 25 megawatts of solar panels since it was founded in 2007, and the company grew 307 percent from 2013-15. Freedom is number 338 on Inc. Magazine's list of the top 500 fastest-growing private companies in America, is recognized as the number one supplier of residential solar systems in Austin by Austin Energy, and as the fourth-fastest growing company in Central Texas by the Austin Business Journal. Freedom Solar has completed projects for corporate clients including Whole Foods, Office Depot, Lake Flato Architects, and the University of Texas, among others. <http://www.freedomenergypower.com/>
